I am directed to forward a copy of the papers noted in the margin and to request that the Government of Mysore will be so good as to issue similar orders

1 Endorsement from the Government of India, War Transport Department, No LV-2(5)/44 dated 2nd May 1944 with enclosure
2 Endorement from the Government of India, War Transport Department, No LV-2(5)/44 dated 18th July 1944, with enclosure
3 Endorsement from the Government of India, War Transport Department No LV-2(5)/44 dated 9th August 1944 with enclosure.

2 In view of endorsement at item 3 in the margin, the Government of India hope that the Government of Mysore will agree to issue reciprocal orders exempting these vehicle from local taxes whether their destination is in British India or another State

3 I am also to request that for the purpose of identifying controlled vehicles, the Government of Mysore will kindly instruct their appropriate officials to note that drivers of such vehicles carry a temporary registration certificate and a temporary permit in the form given in the fifth and sixth schedules (copies enclosed) to the Civil Motor Transport Vehicles Control Order, 1944 and that these vehicles usually move in small convoys with a supervisor in charge

4 I am to request that two copies of the orders issued by the Government of Mysore may be kindly forwarded to this Residency as soon as possible

Distribution of controlled lorries under the Civil Motor Transport Vehicles Control Order, 1944

Owing to rail and shipping congestion, all controlled vehicles in Bombay have to be distributed to dealers throughout India by road. It having recently become possible to build a certain number of goods bodies on these vehicles in Bombay, arrargements were discussed at a meeting in Bombay on the 30th March last, whereby vehicles with bodies should be used for the carriage of useful loads ex-Bombay to destination The Provincial Motor Transport Controller, Bombay, was present at the meeting and is fully aware of the circumstances It now appears that whereas in the case of naked chassis, and possibly of a lorry without load, no provincial tax is levied, on vehicles temporarily registered, a registration or permit fee (it is not clear which) at the rate of Rs 55 per mensem or Rs 94 for two months is leviable in all cases where these xxxiex vehicles are used for the carriage of goods, the fee for two months being levied in those cases, where it is expected that the vehicle will not complete its journey to its destination within the same calendar month in which that journey has commenced Apart from the fact that the imposition of this tax for one single journey to destination is heavy, the levy substantially enhances the cost of the carriage of goods and introduces complications in adjustments which militate against the smooth working of the arrangements for making effective use of the transport capacity thus made available The Central Government would therefore be grateful if the Government of

Bombay would consider either total exemption or the levy of some nominal fee

2 Owing to the present difficulty of railing adequate supplies of timber into Bombay, it has been necessary temporarily to reduce the programme of body-building in Bombay from amount 350 to 100 per mensem, and this number is not expected to be exceeded in the next few months

Copy forwarded to the Provincial Motor Transport Controller, Bombay, for information
Copy forwarded to all Provincial Motor Transport Controllers, except Assam and Sind, with the suggestion that the Provincial Government of their Province be moved to issue instructions that loaded vehicles entering or passing through the Province on a temporary certificate of registration from Bombay should not be held up on the road for absence of the ordinary tax token

Continuation this Department endorsement No LV-2(5)/44 dated May 2, 1944

2 It is suggested that the Provincial Government may be moved to issue instructions that no octroi or terminal tax should be levied on loaded controlled vehicles entering or passing through the province enroute to their destination in another province or Indian State It is hoped that there will be no objection to the issue of such instructions as octroi or terminal tax is usually levied by local authorities on commodities intended for consumption or use within the area under their jurisdiction

3 The action taken by the Provincial Government may kindly be intimated to this Department as early as possible
